Dear Ms. Wilson:

On behalf of the citizens of Baltimore County, it is my pleasure to inform you that Five Star Women of Color, Inc. has been awarded a Cultural Arts and Sciences project grant in the amount of \$9500 for fiscal year 2023.

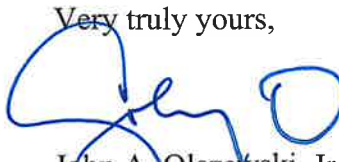

As County Executive, Baltimore County is committed to supporting funding for arts, sciences, history and cultural organizations. With the help of a grant from the Maryland State Arts Council, Baltimore County is able to provide funding to these worthwhile community-based projects that contribute to our cultural life. I thank the Baltimore County Commission on Cultural Arts and Sciences for approving this grant and for all of its work during the year.

Please note that you are required to acknowledge this grant in event programs, signs, and advertising, and on social media and on your website. Details and grant credit artwork are available at <https://www.baltimorecountymd.gov/departments/arts-sciences/logos-grant-credits>.
